Subject: Guest Complaint: Dissatisfaction on ultra-luxury dream cruise service

Dear Colleagues,

I am writing this to inform you of a complaint received from a guest, Ms. Amanda Smith about our ultra-luxury dream cruise service. This memo is to resolve the issue regarding the complaint and request all departments will take part in this issue.

On 9 April, Ms. Smith expressed dissatisfaction regarding her experience and highlighted that our services such as butler service, fine dining and exclusive shore excursions did not meet the standards promoted in our advertisements.

An incident like this can affect our reputation and may lead to a lost trust. Addressing and resolving this issue is essential to retain our guest trust in our service.

In the discussion section, I will outline three specific instructions to rectify the issue and ensure guest satisfaction. The following actions must be taken immediately.

The Operations department must perform an internal audit of the butler service, fine dining and exclusive shore excursions for the duration of Ms. Smith's cruise to determine service gaps.

The Guest Experience Team must review Ms. Smith's service records and identify which services of ultra-luxury dream cruise package were not delivered as promised that stated in our advertisement.

The Customer Service departments will draft a personalized apology letter to Ms. Smith and prepare an appropriate compensation package such as future cruise benefits, refunds or complimentary upgrade.

I hope all departments will take part in this issue as I stated above. Our reputations will depend on how we resolve this situation.

Please do not hesitate to contact me if you have any questions.

Thank you for your cooperation and dedication to maintaining excellent service.

Best Regards,

Aziela

Dear Ms. Smith,

RE: COMPLAINT ABOUT DISSATISFACTION OF SERVICE

Thank you for notifying us of your dissatisfaction with our service in your letter on 9 April 2025. We sincerely apologise for any inconvenience that Alpha Dream Cruise caused you during your ultra-luxury dream cruise package. We are offering you a complimentary upgrade for the next booking and a 50% refund of your cruise.

After reviewing your case, we discovered that your package was assigned to a standard package, rather than the ultra-luxury package that you had purchased due to an internal miscommunication during the onboarding process.

Please be assured that in order to avoid this situation from happening again, we have implemented corrective measures, including a service audit and improved verification.

We appreciate your trust and sincerely hope that by serving you with a better service in the future, it can restore your trust in our service. We genuinely hope you will receive our refund that was given to you and enjoy a complimentary upgrade on your next booking with us.

Thank you for being a valued customer. Please do not hesitate to contact us if you have any further questions or concerns.
